DEFENDANT: AMONZA WILLIAMS
CASE NUMBER: 2:18cr152-01-MHT**STANDARD CONDITIONS OF SUPERVISION**

As part of your supervised release, you must comply with the following standard conditions of supervision. These conditions are imposed because they establish the basic expectations for your behavior while on supervision and identify the minimum tools needed by probation officers to keep informed, report to the court about, and bring about improvements in your conduct and condition.

1. You must report to the probation office in the federal judicial district where you are authorized to reside within 72 hours of your release from imprisonment, unless the probation officer instructs you to report to a different probation office or within a different time frame.
2. After initially reporting to the probation office, you will receive instructions from the court or the probation officer about how and when you must report to the probation officer, and you must report to the probation officer as instructed.
3. You must not knowingly leave the federal judicial district where you are authorized to reside without first getting permission from the court or the probation officer.
4. You must answer truthfully the questions asked by your probation officer.
5. You must live at a place approved by the probation officer. If you plan to change where you live or anything about your living arrangements (such as the people you live with), you must notify the probation officer at least 10 days before the change. If notifying the probation officer in advance is not possible due to unanticipated circumstances, you must notify the probation officer within 72 hours of becoming aware of a change or expected change.
6. You must allow the probation officer to visit you at any time at your home or elsewhere, and you must permit the probation officer to take any items prohibited by the conditions of your supervision that he or she observes in plain view.
7. You must work full time (at least 30 hours per week) at a lawful type of employment, unless the probation officer excuses you from doing so. If you do not have full-time employment you must try to find full-time employment, unless the probation officer excuses you from doing so. If you plan to change where you work or anything about your work (such as your position or your job responsibilities), you must notify the probation officer at least 10 days before the change. If notifying the probation officer at least 10 days in advance is not possible due to unanticipated circumstances, you must notify the probation officer within 72 hours of becoming aware of a change or expected change.
8. You must not communicate or interact with someone you know is engaged in criminal activity. If you know someone has been convicted of a felony, you must not knowingly communicate or interact with that person without first getting the permission of the probation officer.
9. If you are arrested or questioned by a law enforcement officer, you must notify the probation officer within 72 hours.
10. You must not own, possess, or have access to a firearm, ammunition, destructive device, or dangerous weapon (i.e., anything that was designed, or was modified for, the specific purpose of causing bodily injury or death to another person such as nunchakus or tasers).
11. You must not act or make any agreement with a law enforcement agency to act as a confidential human source or informant without first getting the permission of the court.
12. If the probation officer determines that you pose a risk to another person (including an organization), the probation officer may require you to notify the person about the risk and you must comply with that instruction. The probation officer may contact the person and confirm that you have notified the person about the risk.
13. You must follow the instructions of the probation officer related to the conditions of supervision.

DEFENDANT: AMONZA WILLIAMS
CASE NUMBER: 2:18cr152-01-MHT

SPECIAL CONDITIONS OF SUPERVISION

1. The defendant shall serve 6 months at Dismas Charities.
2. The defendant shall participate in individual psychotherapy, to at least achieve and maintain symptom stability; to process grief surrounding all the loss in his life; to improve his use of appropriate coping skills/stress management strategies; and to assist with maintaining sobriety. Additional therapeutic goals may include securing reliable transportation to/from all treatment and employment requirements and exploring and assisting with vocational opportunities. A provider who specializes in the treatment of depression and grief/loss would likely be most beneficial.
3. The defendant shall receive mental-health treatment from a licensed provider who specializes in a treatment modality that has been shown to be effective in treating post-traumatic stress disorder; given his trauma history and the severity of the post-traumatic stress symptoms he endorsed, he may need extended or more intense therapeutic intervention.
4. The defendant shall undergo a psychiatric assessment to determine his psychotropic medication treatment needs, if any. Should any medication be prescribed, it should be routinely monitored for effectiveness and compliance and altered as appropriate.
5. The defendant shall participate in substance-abuse treatment. Given the nature and pattern of his substance use history, an intensive program, such as a residential substance-abuse program may be most appropriate. Subsequent participation in ongoing treatment, such as Narcotics Anonymous, Alcoholics Anonymous, or a similar program will also likely be beneficial for continued sobriety, but should include a sponsor for support.
6. The defendant shall receive mental-health treatment in conjunction with any substance-abuse treatment to increase the likelihood of substance-abuse treatment success.
